Scott.neish@aberdeenshire.gov.uk

Room 15 have been working hard on their SQA unit comparing France and Scotland.

Jeans for Genes Day

St Andrew's School will be taking part in this year's Jeans for Genes Day on Friday 17th September.

All children and staff are invited to wear their jeans on 17th September. We'd like everyone to take part so please encourage your child to come into school on the day wearing their jeans and with a £1 donation.

You can also visit Jeans for Gene Day's website for more information and articles.

[Jeans for Genes Week - Mon 13th to Sun 19th September](#)

Collaboration Project

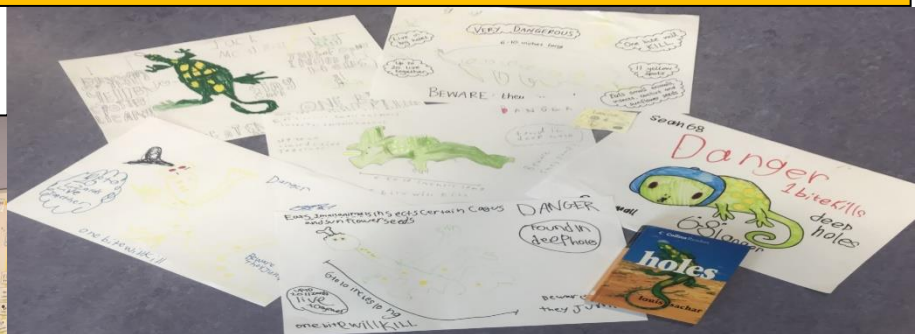

We have started working on a media collaboration project with Inverurie Academy. A film is being created on behalf of Aberdeenshire Learning Estates; it will be shown at the Learning Places Conference in Glasgow in October. The theme is 'Suitability' and will involve filming around the campus with many interviews of pupils and teachers.

Olympic Glory

Huge congratulations to Connor Morrison for having a successful first Olympic Games. We look forward to continuing watch you follow your dreams.

Swimming Consents

Please ensure that swimming consents are returned as soon as possible.

This week in Room 11, we have really enjoyed reading our book 'Holes'. We have engaged in lots of learning linked to the text including created comic strips to retell some of the story and making Warning posters. The yellow-spotted lizard is highly venomous and will kill with just one bite. Our posters have warned the characters what they look like and where they might find them.

We are excited to find out what happens in the rest of the story...
