Jeans for Genes Day

St Andrew's School will be taking part in this year's Jeans for Genes Day on Friday 17th September.

All children and staff are invited to wear their jeans on 17th September. We'd like everyone to take part so please encourage your child to come into school on the day wearing their jeans and with a £1 donation.

You can also visit Jeans for Gene Day's website for more information and articles.

- Rooms 1, 2, 4, 6, 7 and 12

This week, Room 11 had a school trip to the Science Centre in Aberdeen. We had a great time exploring the range of interactive exhibits linked to Life Sciences and Energy. We even had our own workshops of science demonstrations. It was a fun and very interesting day.

Extraordinary people are what make St Andrew's a very special school.

Our Values:

- LEADERSHIP
- RESPECT
- INCLUSION
- PARTNERSHIP
- WELLBEING
- OPPORTUNITY
- TRUST
- SAFETY

Our Vision:

- To deliver excellence in the education of our pupils so they become the best they can be
- To share our knowledge and expertise in order to enhance learning provision for all

We aim to:

- Get it Right For Every Child
- Drive educational excellence
- Commit to lifelong learning
- Invest in our staff
- Involve parents and carers
- Work effectively with multi agency professionals
- Succeed and celebrate together

Room 6 had a very exciting delivery of a range of remote control and switch operated toys this week from ASPECTS. The boys (and staff) all had a great time with them and Scalextric is a definite favourite with the class.

Room 15 had a great trip on Tuesday. The class been working on our SQA unit, Living Things and visited Macduff Aquarium.

The pupils could observe different type of sea creatures and watched as the diver fed them. They enjoyed touching the starfish, crabs, and other small sea animals.

The best way to start a week in Room 5 - learning how to make a cup of tea!
