Together We Can

Wednesday 17th November

Many fun activities are being organised by Room 5 as part of their enterprise project.

More information to follow soon!

Room 15

Room 15 are very happy to be back at school this week and have been very busy!

Last term we learned about living things and what they need to survive. This week we have been planting seeds and we will use our knowledge to help the plants grow over the coming weeks.

We also had lots of fun beginning our new dance topic in PE! We were practising robot moves as well as using ribbons and pom poms to move in time to the music.

We did some great baking this week too, following our recipe to make delicious fairy cakes which we ate for snack!
