The challenge objectives:

1. Improve physical health
2. Enhance mental health and wellbeing
3. Reduce congestion and pollution around the school gate

**Challenges date: 21 March – 1 April 2022**

The challenge is between over 1300 schools, who have signed up for this year's challenge. It takes place over a two-week period. We are also doing our own internal challenge between Rooms!

*Good Luck Everyone*

From January until the February break, Room 10 were learning about the feelings happy, sad, angry, and calm. We read stories, did crafts, matching, fine motor and sensory activities and we found out that some of the things we do every day like playing, being with friends and PE help us feel calm and happy, even when we feel angry or sad to begin with.
