St Andrew's School, Inverurie

@standrewsinv

Term Dates 2022

Spring Holiday 4th – 15th April

May day holiday (moved from May) 2nd June

Queen's Platinum Jubilee 3rd June

Local Holiday 6th June

Last day of school year 1st July

Pupils in Room 12 worked together to organise different fundraising activities and events for Red Nose Day. They wrote a letter to families, sold red noses, created a special red nose hunt and collected donations from pupils and staff. As a school community we had lots of fun on Red Nose Day and raised an amazing £187.21 for Comic Relief. Room 12 would like to say thank you to everyone for their support and generous donations.

We said goodbye and happy retirement to Margaret Scott today after almost 28 years in the role of Pupil Support Assistant. We wish Margaret a lovely retirement and thank you for all of the support you have given over the years.

What is your favourite room in the school?

Whichever room I'm working in at the time as I get to know the children so well that year.

What is your favourite story to read to the children?

I quite like the tiger who came to tea. That's a fine one!

What is your funniest memory of working at St Andrew's school?

Lots of funny things have happened. In room 6 we had curtains instead of doors. One day, I lifted the curtain and there was a cat there!

Other people found it funny that I used to climb over the big fence to water the flowers during the holidays.

What is your most emotional memory of working at St Andrew's School?

St Andrew's Got Talent always made me emotional as you would see pupils performing and doing amazing things.

What is your saddest memory of working at St Andrew's School?

I think it will be when I leave. It will be sad to leave but I have exciting things to look forward to so it will be a happy time.

What's your best memory of St Andrew's School?

All of the staff and pupils that I have worked with over my time here. People really care about each other and look after one another. We love to hear how the leavers are getting on and its lovely when they recognise us when we are out and about.

What is your favourite children's song?

The one that jumps into my head is 'The Wheels on the Bus' as I've sang it so many times to the primary pupils.

What is your favourite thing to bake with the children?

Something easy! Chocolate Krispies!

Will you miss working at St Andrew's school?

Yes I will. I've worked her for nearly 28 years (28years in May).

Have you ever been on a school trip?

I left the Euro Disney trips to the brave people!

I went to Stonehaven Beach on a whole school trip. I did wonderful sleepovers at Sir Arthur Grant Centre in Monymusk.

What is your favourite school dinner?

Fish and chips.

What was your most embarrassing moment?

We were being filmed for the school nativity and I went splat in the mud! I don't think anyone noticed!

What are you going to do when you retire?

I'm going to see more of my 3 granddaughters. I'm going to go out for lots of coffees and cakes too.

What was your favourite thing to do at the old school?

I quite liked the zip slide!

What would be one thing that you would like to St Andrew's to continue with after you retire?

I would love for people to continue with the recycling and recycle even more.

Health and Wellbeing

Rooms 11, 12 and 15 have started using the Community Campus Fitness Suite as part of their health and Wellbeing. Lots of fun was had exploring and trialling the different equipment. A quote from, James, Room 12 "This is fun".
